of Sharon High

The final piece of the puzzle has been placed,
The memories we have made will not be erased,
The lessons learned and the friendships made,
Will stay in our hearts and never fade.

We all enter high school nervous, and young,
For freshman high school has just begun.
Freshman year serves as the base,
By tenth grade more of the pieces have fallen into place.

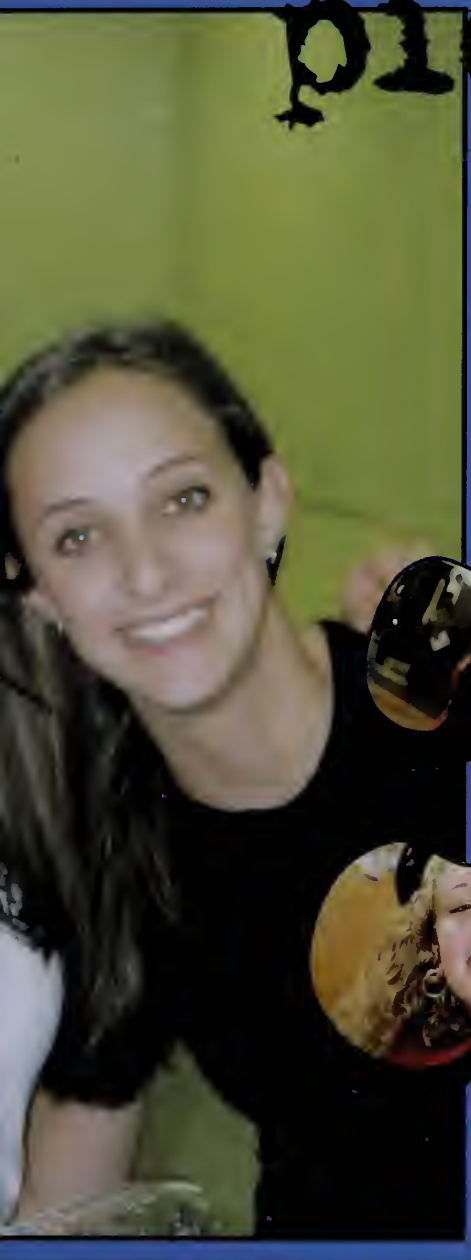
pieces of Sharon High



Sophomore year the puzzle is partially complete,
These students are facing new challenges and attaining great feats.

Junior year is a crucial one,
Where the thought of college, and a need for good grades has ernestly begun.

Senior year has its stressful pieces too,
College apps and classwork all are due.
Yet in the end we know we're prepared,
To complete this puzzle that we have all shared.

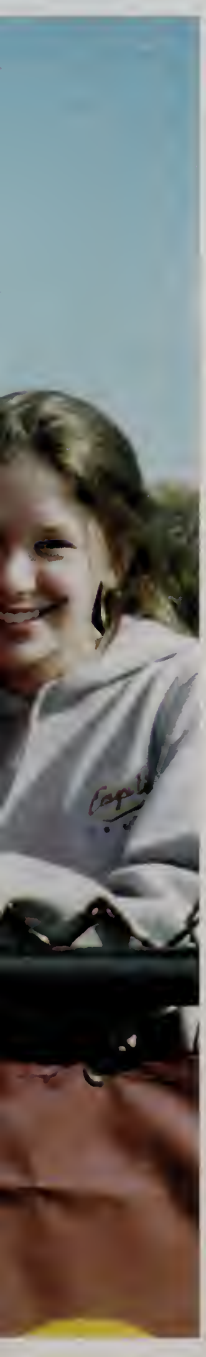
Student Life



It takes all the pieces to finish a puzzle. Each student and every experience makes up the puzzle of life at Sharon High School. In the beginning, it seems like four long years ahead, but in reality the time flies by. With the focus of their last year being graduation and leaving, the Class of 2005's senior year turns into a sentimental journey filled with rememberances. The seniors remind the underclassmen to cherish the upcoming years. They look back and hope that the good times outweigh the bad in all that they shared here at SHS. Everyone is now ready to look forward to the bigger picture and to see how they fit together in this puzzle.

dancing the night away

The girls were hamming it up and having some fun.

Ana, Carey and Cayee striking a pose.

Junior Prom was a sight to see,
All the balloons were done so nicely.
For the first time the prom was not held in the gym,
Which made us appreciate everything,

Christina's was beautiful and served delicious food,
The ambiance there added to the festive mood.
Who needs a theme when we'd rented a beautiful hall,
Next year we can't wait, it'll be a ball!

Sarah and John danced the night away.

Junior Prom Finds New Locale

Christina's was such a beautiful place and a welcome change from past years where we celebrated in the high school gym. The decorations and pretty setting enhanced the mood of the evening. With everyone looking so stunning, it really was a wonderful night. Even in tuxedos and long gowns, we managed to dance the night away. It felt good to be with our friends and classmates in a celebration while dancing, singing, and laughing. We all genuinely had a good time and will have great memories to last, especially when we revisit the pictures on these pages of our Junior prom.

Dave, Jenna, Cory and Nikki smiling for the camera.

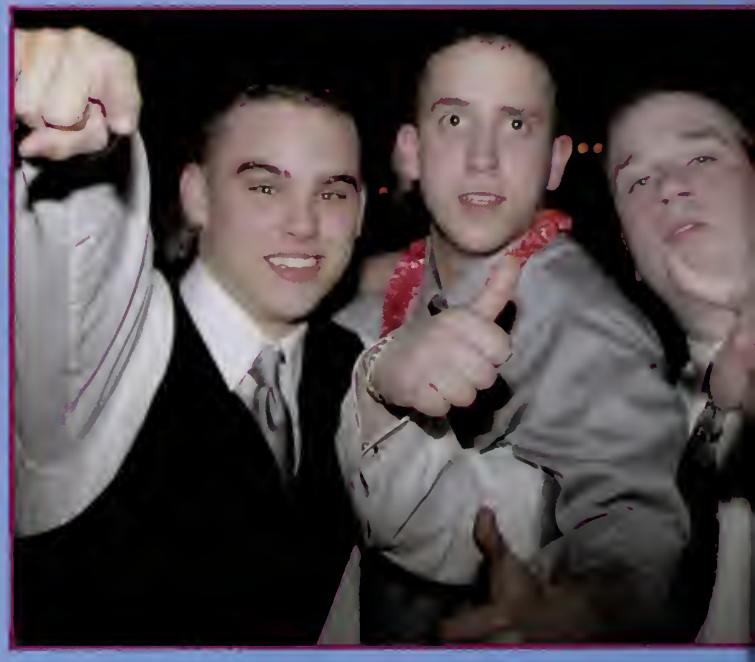
Lina and Allie are excited to be at the prom.

Island Paradise

Sophomore Semi 200

Everyone looked so beautiful that night. It was easy to see we were all having a good time. We danced and smiled the night away.

We waited for so long 'til March
when our semi came at last,
The night was perfect, only it went
by too fast.
Everyone was dressed up and
looked so nice,
We walked into the cafeteria
where we were in
"Island Paradise."



movin' to the rhythm

The Class of 2006 had its semi on March 27, 2004. The cafeteria was turned into an island paradise. The DJ was great, and the whole night was amazing. Dancing with our friends, we had an incredible time, and are left with unforgetable memories.

Homecoming

This year's Homecoming was a weekend different from any the high school had ever seen. It started with a pep rally on Friday, October 1st, where the entire student body was recognized and a wide range of activites--from athletics to Mock Trial to Gay/ Straight Alliance--were all acknowledged for their contributions to the school.

The traditional Homecoming Carnival on Saturday was anything but the usual fare. Planning Boards, Euphony, NHS, Drama, SADD, Amnesty International, VISION, Model UN, SCAHR, and Chorus all had booths, however it was the Student Council's sponge throwing booth that garnered the most enthusiam from students.

For the first time, Homecoming began with field hockey and volley ball games prior to our annual football game. This helped boost excitement for the day, and increased school spirit with support for each team. At halftime, the floats got a great reception. Seniors won for best float for the second year in a row with their giant "SHS".

Although the results of the games weren't in our favor, that seemed minor. What is more important is that as a community we are begining to show more pride and spirit in our school and town. Also at the halftime ceremony a new program called "Birds of a Feather" was held. This program recognizes student athletic captains and the teachers and/or mentors, who have had a particularly profound impact on them throughout their high school career. It was a very nice tribute.

pulling it together

The seniors are an artistic class because they not only won this year but won their junior and sophomore years too!

"It was nice to have mentors recognized as well as students for their positive influence in the community. I was very touched to have my work validated in this way. " Ms. Turner

Halloween

something wicked comes to SHS

Pillsbury Dough Boy, Wonder Woman, 5-foot tall bananas, strawberries and oranges; and a life size marionette...now where could you possibly find such a diverse group? No, not your local supermarket, but the hallways and cafeteria of Sharon High School on Halloween. Every year we can always expect a great turn out for this spooky day, and this time was no exception. Thanks to the efforts of the different planning boards, officers and Student Council, the cafeteria was covered in black and orange and all things creepy, for this especially fun day. At the conclusion of the day, TV Media put together an excellent broadcast awarding all of the people with original or extravangant costumes. Among those recognized were Ms. Martin, Ms. Turner, the guidance department, and various students which included big haired student from the disco era. It was all capped off by a spectacular performance of Halloween carols sung by the select choir and conducted by Ms. Mac. Even though the tradionial Sharon High Halloween festivites were no longer a part of the agenda, the day was still a major success.

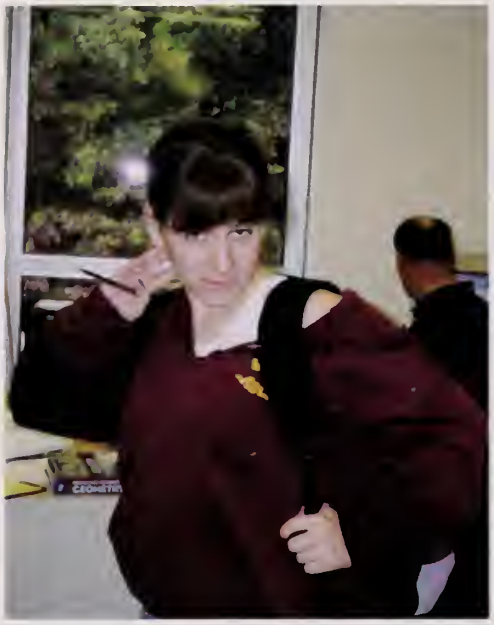
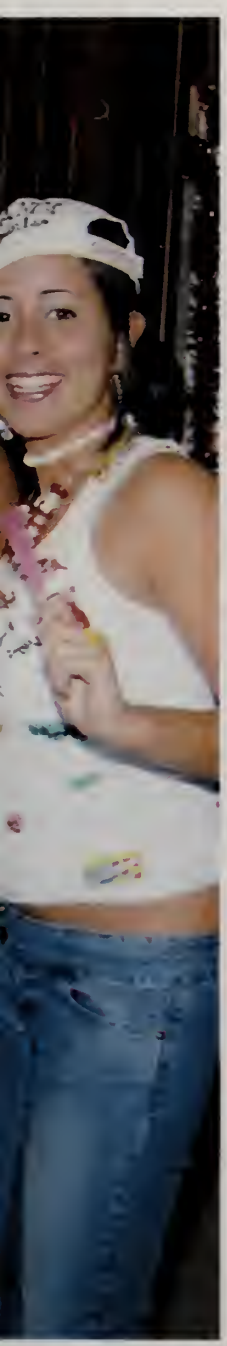
seniors





It seems like only yesterday that we were all coming from separate pieces of the Sharon school system. We have since meshed our different school backgrounds and come together as a whole senior class.

Such big changes from being 9th graders to being seniors. It has been fun growing up together these past four years. As this senior year progesses we will have shared many more experiences before we leave.

Hopefully those experiences will bring us closer together before we graduate, and make this a great year for all of us.

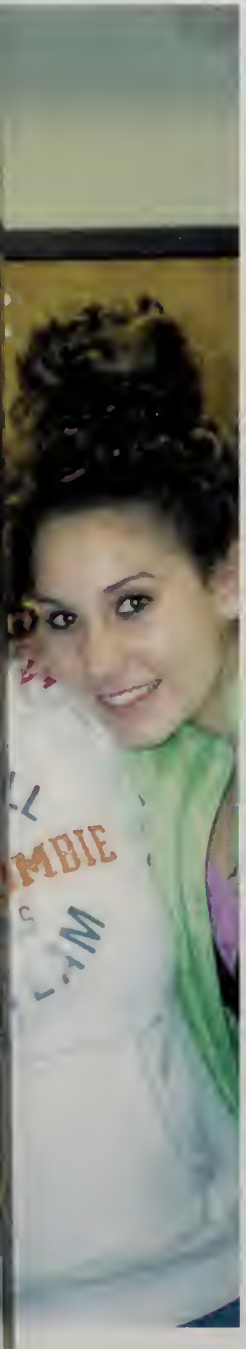
Underclassmen



The underclassmen years are exciting because students are able to have new and different experiences in each grade. All grades are eager to participate in the various clubs and activities that the school offers. The Freshmen start their high school years not knowing what to expect. They experience for the first time finals, homecoming, pep rallies, and more. The sophomores, with a year under their belt, get to enjoy their Semi-Formal. Juniors have their Junior Prom and get their first taste of college and its preparations with SAT's and AP courses. With each year that passes, the time seems to slip away faster and faster, until each class reaches their final year.

Sports

Throughout the year, SHS sports teams have proven their dedication, unity and perseverence. Playing a sport helps create commaradere and provides good memories of hard earned victories or particularly tough losses. Fellow classmates came out to show their support and to cheer teams on whiched helped improve school spirit. No matter what the sport, athletes came together, contributing all that they could to their team's success. Eventually team members found their fit and became one. They held together through the friendships they made and the suppport they had for one another.

"The Boys' Tennis Team had another successful year, winning their 24th consecutive Hockomock Championship. The amazing part about our season was that it was a building year. Our starting team was made up of only 3 seniors, with many gifted underclassmen playing key roles and developing their skills."

Two proud captains of a great success story, the SHS Boys' Tennis Team.

The Boys' Tennis Team

Sharon High School has always been known for their tennis team. Once again they went undefeated this year in the Hockomock League, only losing one match along the way. Led by co-captains James Micheroni and Jackson Yee, along with the guidance of Coach Holt, the team proved that they are still on top. They hope to continue to excel next year and to exceed all expectations as one of SHS' finest!

The Girls' Tennis Team was a true success in all aspects. Led by enthusiastic and determined captains, Colby Dillon and Anna Orkin encouraged the team to put forth their best effort and never give up. Each member of the team contributed to making the season a unique and enjoyable experience. Through the captains' hard work and Coach Banno's dedication, the tennis team ended with an overall successful season.

Spring Track and Field

Sharon High's 2004 Spring Track Team, under the direction of Coach Mandell, Coach James, Coach Cambell, Coach Jen, and Little John, came a long way this season, improving its standing in the very competitive Hockomock League. The leadership of the seniors showed in the vast improvement of the newest runners, jumpers, and throwers and in the sixteen athletes who qualified to compete in the Massachusetts Class C Championships. The 2004 athletes had fun and worked hard. Best of luck to next year's athletes and coaches.

The Softball Team

Ally McDougal fires off another great pitch.

Sharon Softball 2004 was another accomplished season, led by senior captains Heather Fortuna, Rachel Gesserman, Erika Snyder, Jamie Kawadler, and Courtney Smith. Although we were not the Hockomock all-stars, we were certainly winners. The softball team made great improvements throughout the season both offensively and defensively. On and off the field we united as a team, and there were certainly no dull moments when we were all together. Good luck next season!

The Baseball Team

The Sharon High School Baseball Team got off to a great start this year with a 7-1 record. Led by a strong senior class, consisting of Adam Silverberg, Matt Healy, Ben Summerhayes, Nick Sacco, Andrew Wadleigh, Aaron Berman, Chris Pollard, Dan Weiner, Josh Coran, Bobby Bibbo, and the great coaching of Mr. Peckham, Key Arguimbeau, and Ben Shuffain, the Eagles overcame some injuries on and off the field to make the playoffs with a 11-9 record. Although the team lost its home playoff game, there was a lot of team chemistry that came into play at the end of the season. The Eagles look forward to another playoff berth next year with Josh Avratin, Cory McCue, Ben Lambert, and Andrew Poliferno leading the way.

-Ronde Gassman

Knowing where the ball is at all times and staying focused is what makes Martha Bouton the great player that she is.

Jenna Pollock and Mallory Frers team up to present a strong defense against the opposing team.

The Lacrosse Team

With great speed and agility, Nicole Campion cradles the ball up the field.

The SHS Lacrosse season was filled with fun times even though, in the end, our wins did not outweigh our loses.The team's popularity increased with over forty new players from all grades and all skill levels. The girls were led by senior captains Mallory Frers, Sarah Merlin, Lili Leisk, and Cala Abt. Each was a great leader on and off the field. The ladies were once again led by varsity coach, Peg Arguimbau, and the junior varsity coach, Ronde Gassman.

There was also a new addition to the coaching staff, Johnny Walker. Walker, alum of Sharon High School, who had previously played goalie for the University of Massachusetts Boston, volunteered his time to help coach the girls. With his precious experience, he was able to really help out Kaitlin Bloomstein and Sam Merlin in goal. This sport is quickly growing and hopefully the 2005 season will be equally as great, if not better!

The Golf Team

The Sharon High Golf Team had its most successful season to date with a record of 11-5 finishing third in the Hockomock League. With great coaching by Mr. VanVaerenwyck, leadership from Dan Aschaffenburg and Andrew Dunning, as well as scores from Dan Kayce, Mike and Matt Rybal, and Zach Kovat, the team had high hopes for the State Qualifier. With an impressive performance at the Qualifier's, finishing in fifth place, it guaranteed them a spot at State Finals for the first time in team history. Although the team is graduating five of its members, they are still confident that next year they can make an impressive showing.

The Girls' Soccer Team

goal kick by Lauren DeLalla sends the Eagles up the

The Girls' Soccer team is improving slowly but surely with a record of 3 - 12 - 3. Although that may not sound too great, it is an improvement over the last four years. We scored 19 goals this season, many off corner kicks as well as two headers. It is quite possible that those head goals were a first for Sharon Girls' Soccer. With such noted skill improvements and increasd determination, the SHS girl's soccer team could soon become a force to be reckoned with!

The Boys' Soccer Team, led by tri captains Dave Hanold, Jeremy Cope, and Scott Whiffen, improved their record to a respectable 6-10-2 in the competitive Hockomock League. The Eagles had the best record in the last three years. Eastern Mass All-Stars Nate Seiberling and Dave Hanold helped contribute to the team's midseason success, when they were undefeated for 5 straight games! The Eagles would like to give a special thanks to head coach Alan Howie for teaching them about class, commitment, and desire.

The Volleyball Team

Kelly McSharry blocks the ball.

The 2004 Varsity Volleyball season was one to remember. Though the eagles got off to a slower start, the girls came back to win their last eight matches. The team defeated Franklin and North Attleboro, two powerful teams, and completed the season with a record of 13-5, qualifying them for the State Tournament. The Eagles were lucky enough to get a home game against Dedham for the first round, and thanks to a very supportive crowd, they won 3-0. Unfortunately in round two they lost to Bishop Feehan. Despite their defeat, the girls took number two in the Hockomock League. The team showed their outstanding hitting ability, as well as blocking and serving. There was never a dull moment when we were together. The team got along amazingly, on and off the court. The seniors will be missed and they would like to send their best wishes to the underclassman and wish them the best of luck. We love you girls!

The Cross Country Team

Hamming it up for the camera.

The Cross Country season was an extremely sucsessful one. Both the boys and the girls teams had winning records; the boys 5-3 and 4th in the Hockomock, and the girls 6-2 and 3rd in the league. The team was led by coaches Mrs. Koines and Mr. Richardson, along with captains Dimitri Kostidinov, Josh Furst, Erica Young and Rebecca Happnie. Under their leadership and all the senior non-captains who stuck it out, this season has been one of great unity. We have enjoyed many potluck and restaurant pre-race dinners. Together this team has endured a lot from mile repeats, to the Class C Championship in 5 inches of snow, to Josh's cheering. Besides the girls' outstanding season with only 6 runners we also had 4 runners qualify as individuals into the All-State race. This is just another of the many great performances we have shared as a team, along with Dan Darcy being league MVP and finishing first in the Hockomock League. Good luck next year!

Stephanie Pietal readily awaites her shot at the ball.

It was a building year for SHS Field Hockey. We were a young team and were able to give the younger players a lot of experience. Despite numerous injuires, we played through pain, and really came together towards the end of the season. Watching wildlife and taking nature runs made practice fun and educational. We can safely say we are the only field hockey team in the league to bond over a campfire!

As the seond half of the season came around, our "circle of life" drills improved our drives and made us real threats on both offense and defense. The last week was the real highlight of the season. We were able to beat North in an exciting game and finished the week 1-1-2. Good luck to the girls next year. Goal up!

"This years' Eagles, despite a 10-9 season, fought hard all year. We never gave up no matter who we were playing. I enjoyed coaching all the 22 of you seniors and wish you guys the best of luck in the future."

Zach Brown takes a much deserved water break.

Canton couldn't stop this Eagle from making this great catch!

The Football Team

Drew Wallace looks to make his move and go for a first down.

Despite several key injuries and an unexpected losing season, the SHS Football Team showed great heart and Eagles pride throughout a difficult season. Plagued by injuries all season long, including the losses of captain Zach Brown and Bobby Sanborn, the Eagles were never healthy. Although those frustrating developments resulted in some tough losses, there were also some key highlights. Beating a previously undefeated Abington at home was a success, as the Eagles were led by the rushing of captains Cory McCue and All-Hockomock running back Mike Lannon. The season culiminated with the Thanksgiving game against their bitter rival, the Oliver Ames Tigers. Although they lost, the Eagels displayed great heart and sportsmanship in the 18-12 loss. Even though the 2004 season was a tough one, it won't be forgotten.

Erica Snyder is making a careful, yet quick decision, as to whom she can safely throw the ball.

The SHS Eagles show their teamwork, and are in great postion to grab for that rebound.

The Girls' Basketball Team

Jenna Cosgrove is dribbling up the court, sizing up her next move.

Many people would think that a team with a 2.5 person bench would be an unsuccessful joke, but the lady Eagles proved them wrong. Led by senior captains Dana Rehnquist, Jenna Cosgrove, Stefanie Muntyan, and Erica Snyder, the Eagles were a strong force in the Hockomock League. Without the help of the underclassmen, the Eagles'wins would not have been as easily obtained. The team became very close off the court, making success on the court even easier. The senior captains took the underclassmen under their wings and together they flew. The graduating seniors would like to thank the rest of their team for their continued support and friendship, the season would not have been complete without them.

Zach Solis jumps high while taking a lay up shot.

The Eagles ready themselves for the rebound.

The Boys' Basketball Team

Cory McCue takes the ball down the court.

The Boys' Varsity Basketball Team showed a lot of determination on and off the court. Though they did not win as many games as they would have liked, they showed that they have the talent on the team. Led my co-captains Ben Lambert and Cory McCue, the team was in good hands to learn and perfect their basketball skills. Coached by Bruce Jackman the team worked hard to improve and play to their full potential. All members of the team contributed to the season.

"As the Eagles new head coach, this season turned out to be a very pleasant surprise for me. Transitioning from one coach to another often requires some adjustment periods on the athletes' part. This really never was an isssue due in large part to the excellent crew of this season's captains. Eli, Leah, Matt and "Becca" smoothed the way by explaining the intricacies of the team, while giving me the flexibilty to insert my own ideas into the mix."

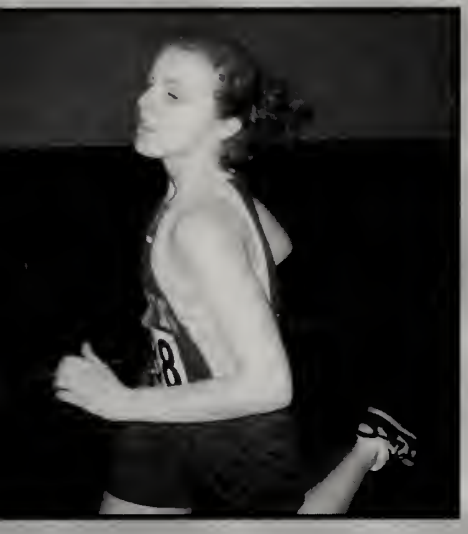
-Bruce Richardson

Matt Rippberger and Dan Darcy run the relay for Sharon High.

Langston Sun rounds the track ahead of his competiton.

The Winter Track Team

achel Dickens leaves the pack in her dust.



With freezing temperatures, snowstorms and the constant brutal wind off Lake Massapoag, the Sharon Winter Track Team faced the elements all season long. Led by captains Matt Rippberger, Eli Bossin, Leah Dickens and Rebecca Happine, the Eagles relied on the upperclassmen to teach large numbers of freshman everything they needed to know about running.

While ultimately a disappointing season, there were still many outstanding performances and much improvement overall. With so many promising new members, the team should go far in the upcoming years.

" For the first time in SHS wrestling history our guys beat North Attelboro. We also had the most wins-17, and fewest losses-3, giving wrestling its best percentage ever. It's been a great season, and we're Sectional Champs!"

Brian Renke works from top, trying to turn over his opponent.

The Wrestling Team

Dimitri Kostadinov has total control.

After much anticipation, the Sharon Eagles Wrestling Team has proven to be quite a force this season. With a record of 17-3, they broke the previous school record for wins. The four senior captains Ben Mandelbraut, Brian Renke, Andrew Rubin and Dimitri Kostadinov did their part to bring the team to victory, and almost defeated the returning, multiple Sectional and State Champs, Foxboro, by a small margin of only 3 points.

It took four years to develop a solid roster, but Coach Anthony Lucie was determined to bring the Eagles in the running for a Sectional title, which we brought home for the first time EVER! The future of the team still looks bright after this year, with juniors Ben Carver and Dan Bloom both coming back their senior year. Their experience will certainly help to lead the team.

The Gymnastics Team

The gymnastic team, putting their heads together.

The Gymnastic Team had another great season with a record of 7-0. We were once again, the Hockomock League Champs! It was a team comprised of "sisters" not merely gymnasts. We could not have all come together and had such a great season without our terrific coaches Lori Clark and Susan Rennie.

Good luck next year girls, we'll miss you. Because Susan is leaving after this year, we'll miss her too. It won't be the same without her.

"The 2004-2005 Swim Teams both had very successful years. School records were broken by Jeff Wacks, Scott Whiffen, Brendan O'Neil, Steven Wacks and Anna Semakin. The girls' team ended their season with a record of 4-4-1 and finished 4th overall out of 10, at the Bay Colony Swimming and Diving Championships, while the boys' team ended their season with a record of 8-1 and finished 2nd overall."
- Peter Goulet

Scott Whiffen takes his position on the blocks, and anxiously awaits the start of his race.

Rebecca Rosen takes a moment to smile for the camera as she effortlessly glides through the water.

The Swim Team

Though his feet are slightly apart, Jeremy Cope makes a great dive.

The Swim Team this year had the best record ever recorded in the history of the Sharon School Department. The boys swim team had a record of 8 wins and 1 loss; captain Jeff Wacks led this great record. The boys were a great support for the girls this season. Always cheering one another on at the ends of the lanes made everyone on the team feel confident. The girls record this season was 4 wins, 4 losses, and 1 tie. Captain Rebecca Rosen led this great season. We wish the best of luck to next years swim team. Hopefully they will continue to do as well as we have in the past season. Good Luck!

activities

A very big piece of the Sharon High community is found in the clubs and activites that are offered here. There are so many things to choose from for you to do, that everyone can find their niche. Each year new clubs and activites are developed due to new interests arising from the varied school population. Each activity is overseen by a faculty member who may also share those same interests, or they might just like being involved with the students in a non-academic capacity. Our clubs and activites give each person a place to go to do the things they like, and hang out after school with people with similar interests. It's a great way to meet new people, or, if you are a veteran club member, to take someone new under your wing.

Everyone likes to feel they fit in somewhere. You are sure to find that fit at SHS's after school offerings.

Faculty & Staff

The teachers at Sharon High are a very important piece of the make up of our school. In four years you come to know some of them very well, either through extra curriculars or extra help! They always have their doors open to us if we need them. A teacher-student bond is a special thing, and we are fortunate to have such great faculty and staff here. Believe it or not, this school is a safe haven with regard to the world out there. Many seniors who have graduated come back to visit and that speaks volumes.

We are grateful to have these special people play an intregal part in our educations and lives.

Dedication

Mr. John Brande

While you can expect many 1st period classes to be silent and full of sleepy students, walk in to Mr. Brande's class and you will be greeted by the famous "Song of the Day." Often a favorite Beatles song, something relevant to class, or pertaining to daily life (such as "American Idiot" by Green Day on the day the election results were revealed), the songs succeed in stimulating students and getting them into the "zone." It is his creativity, passion and inventiveness that makes Mr. Brande, history department coordinator and AP US history teacher, an amazing piece of the faculty at Sharon High School.

Mr. Brande does not merely teach history; he makes his students experience it. His students learn to question intelligently, looking beyond basic facts and extending their knowledge to relate to today's world. He fully immerses himself and his students in the subject of history; classes often become intense and meaningful experiences. Suddenly history class becomes something significant. Brande leads his students through the maze of history and allows them to explore beyond the clear path. His students are able to extend their knowledge well beyond the classroom, and into the real world.

Mr. Brande takes a real interest in his students and the school community, supporting school performances, concerts and sporting events. He succeeds year after year in sharing his enjoyment and passion for history with his students. Mr. Brande's enthusiasm, skill and dedication travel far; he is an inspiration and mentor as well as a teacher. We thank him for all that he has contributed to Sharon High School and honor him with this year's dedication.

Dear Carolyn,
God saw you before you were born. Every day of your life was recorded in his book. Every moment was laid out before a single day passed.
Adapted from Psalm 139:16

Jeremiah 29:11 states; "For I know the plans I have for you say the Lord. They are plans for good and not evil, to give you a future and a hope".

Therefore-my daughter, never forget the things we have taught you. If you want a long satisfying life, closely follow our instructions. Never tire of loyalty and kindness. Hold these virtures tightly. Write them deep within your heart. If you want favor with both God and man, and a reputation for good judgment and common sense, then trust the Lord completely; don't lean on your own understanding. In everything you do put God first, and He will direct you and crown your efforts with success.
Adapted from Proverbs 3:16
